ABOUT SOFTWAREONE

SoftwareOne is a leading global software and cloud solutions provider that is redefining how organizations build, buy and manage everything in the cloud. By helping clients to migrate and modernize their workloads and applications – and in parallel, to navigate and optimise the resulting software and cloud changes – SoftwareOne unlocks the value of technology. The company's ~9,300 employees are driven to deliver a portfolio of 7,500 software brands with a presence in over 60 countries. Headquartered in Switzerland, SoftwareOne is listed on the SIX Swiss Exchange under the ticker symbol SWON. Visit us at www.softwareone.com

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION

This media release may contain certain forward-looking statements relating to the group’s future business, development and economic performance. Such statements may be subject to a number of risks, uncertainties and other important factors, such as but not limited to force majeure, competitive pressures, legislative and regulatory developments, global, macroeconomic and political trends, the group’s ability to attract and retain the employees that are necessary to generate revenues and to manage its businesses, fluctuations in currency exchange rates and general financial market conditions, changes in accounting standards or policies, delay or inability in obtaining approvals from authorities, technical developments, litigation or adverse publicity and news coverage, each of which could cause actual development and results to differ materially from the statements made in this media release. SoftwareOne assumes no obligation to update or alter forward-looking statements whether as a result of new information, future events or otherwise.
